The Flight for Life Lottery is a weekly draw. Each chance costs £1 per week and upon receipt of your payment, we will issue you with a unique membership number which will be entered into the draw each week.

The Superdraw is an additional draw only available to members of the Weekly Flight for Life Lottery.

When each member joins the Superdraw, the office will allocate their exclusive combination of 4 lucky numbers between 1- 45. A separate weekly jackpot draw is made and if no member makes a complete match with all four numbers, then the jackpot prize will roll over to the next draw. The jackpot prize will continue to roll over until it reaches £25,000, at which point multiple draws will be made in a single week until a complete match is selected.
